

17th March 2017

Dear Parents,

We have had a busy week with the Kingfishers out at the Cotswold Wildlife Park on what was a lovely sunny day and the Life Education Bus visiting us. They really enjoyed their visit - all classes got a chance to explore a range of topics including friendship, feelings and feeling good about ourselves. This bi-annual visit supports our important work on PSHE (Personal, Social, Health Education) and we are very grateful to the FOGS who fund it for us.

Ofsted Visit

As you are aware we had an Ofsted inspection this week. It was a very thorough but fair inspection and we look forward to receiving the report either just before or just after Easter. Thank you to all the children and staff who worked so hard and showed the inspector what a lovely school we have. Thank you also to you the parents for your support - your kind messages and food treats - lots of lovely chocolate and cakes that kept our spirits up!

Free Dog Training Classes

We have been asked by the Dog Trust, who as you know have worked with us recently, to let you know about some free dog training classes during Easter. The classes will help the children to learn how to interact and train their dogs in a positive way, as well as reinforcing the safety messages they received in the school visit. The session will be held at Dogs Trust Evesham rehoming centre on 18th April from 3.00 - 4:30pm. Please see the poster in the porch door for more details.
