

Dear Parents,

Lorraine Hill would like to say thank you for the donations on the non-school uniform day - it helped to raise just under £600 for Cancer Research UK.

OVO TOUR OF BRITAIN CYCLING

Date for your diary - the OVO Tour of Britain world class cycling event will be travelling through Tewkesbury on Saturday the 9th of September. It will be coming through Stanway, Toddington, Alderton, Gretton, Winchcombe, Cleeve Hill and Southam before finishing in Cheltenham.

PARKING

Just a reminder to please park considerately both for our neighbours and for the children's safety - thank you.

LATEST NEWS ABOUT SCIENCE DAY

Science Day is tomorrow! We open at 11.30am but the activities will be going on all day. There's too much happening to tell you everything so come along and see for yourself. Three big marquees and several smaller tents will make sure that we are weather-proof. Bring your family, your friends and anyone else you can think of! Make sure you bring your questions and your curiosity. You'll find out all sorts of things you never knew before - and have fun at the same time!

PAINTING OF MURAL ON OUTSIDE OF THE KINGFISHERS

Zoe Howell has kindly agreed to paint a mural on the outside of the Kingfishers but will need parent helpers to assist. She will be starting on Thursday the 25th of May. If you are able to help please approach Zoe to let her know.

CLASS ASSEMBLIES THIS TERM

Friday 19th May - OWLS

Friday 26th May - KINGFISHERS **Please note that this is a newly added one**

NEWS FROM CLASSES:

Robins - Robins have been acting out The Very Hungry Caterpillar and have written their own class story book. Maths has also had a minibeast theme as the children have been practising addition by counting the number of spots on ladybirds and legs on bugs. It was a very wet Wednesday for Forest School but we had great fun splashing in muddy puddles and trying to find the driest shelter!

Kingfishers- We have had a burst of French this week in Kingfishers! The children have been learning numbers and colours and perfecting their accents! We have also completed our History topic about Florence Nightingale. The children completed super timelines and have been really enthused about this amazing heroine.

Owls - Owls performed brilliantly in their TV adverts trying to persuade us to buy boring everyday objects. There were some really creative ideas and the performances showed lots of enthusiasm. The children have also enjoyed their artwork this week - creating a silhouette painting of London during the blitz. Congratulations also to all of our readers who have reached over 200 nights!

Eagles- Fire away, fire away - it's a topic on Titanium in English this week. We have watched the music video and thought about how the character of the boy is presented throughout. The Eagles will be writing newspaper reports to inform people of the events brought about by the boy.

Have a lovely weekend.

Mrs Kelly

This week's 'Golden Children'

Gold Book:

Robins- Sophie for excellent number formation in Maths when recording addition sums.

Kingfishers- Bonny- for such super and accurate detail that she included on her Florence Nightingale timeline. She went over and above what was asked of her and stayed in some of playtime to complete a great piece of work.

Owls- Charlotte for getting her pen licence, Kit Jameson and Annabelle Leather for their creative TV advert, Josie for her hard work and focus in class.

Eagles - Fred for his newspaper report planning, Grace E and Molly for their song solos.

Attitude Tree: Beauford for improvement in concentration and showing greater perseverance in his work, Michael for always working diligently and therefore producing some great results, Oliver for working so hard and showing a real 'can-do' attitude to his learning, Tia Hyett-Row for being patient and taking time to help others.
