

Dear Parents,

SWIMMING GALA

We were really impressed by the Eagles determination and resilience at the swimming gala. Will T received a special School Games Values wrist-band for 'self-belief' - well done!

STANWAY ROUNDERS

All three teams performed spectacularly well, showing great sportmanship and teamwork. We came 1st, 3rd and 5th so a fantastic result.

WHOLE SCHOOL WALK

Our walk is next **Tuesday the 27th of June** - please arrive at Winchcombe Secondary School **no earlier than 9am**. Please ensure that your child is wearing suitable clothes and shoes for walking, has suncream applied and has a packed lunch and plenty of drink in a rucksack/backpack. **Your child should wear both a red PE t-shirt and their sweatshirt so that they are recognisable.** The rest of the clothing worn should be Forest School kit, including shoes that are appropriate and **COMFORTABLE**. Thank you.

SPORTS DAY

Our sports day is on **Wednesday the 5th of July**, starting at 1.15pm. We would appreciate any parent helper support - please let Mr Bridges know if you can help on the day. To make the day more manageable please send your child with only their PE kit and if they have lunch put it in a carrier bag so they can throw it away afterwards - this will reduce the amount of items they have to carry to the field. Please also remember to send them with suncream and a hat - hopefully not a brolly! If you want your children to attend Night Owls that day please let us know prior to the day so that Karyn is aware of who she needs to walk back to school.

HOT WEATHER

Some children are still coming in to school without sun hats, suncream or water on these really hot days - we try to get out as much as is possible but we need to keep the children safe from burning and sun stroke.

NEWS FROM CLASSES:

Robins - Robins had fun blowing, chasing and bursting bubbles around the playground and wrote bubble poems. They also read 'Mrs Lather's Laundry' by Allan Ahlberg in which Mrs Lather is sick of washing laundry so washes anything else from babies to cars, so Robins made their own car wash to clean the wheeled toys and wrote instructions. The children made Snakes and Ladders games to practise ordering large 2 digit numbers in Maths and finished the week with a fantastic outing to Sandfield Farm in Sedgeberrow to pond dip, make model boats and explore the amazing Forest School site there.

Kingfishers - Kingfishers have been doing some geography work this week learning about the British Isles and the beautiful coastline it has to offer. We have been plotting popular seaside destinations on a British Isles map as well as learning to recognise natural and man-made features by the seaside. The children were enthralled with a short Punch and Judy show and got very enthusiastic making their own puppets in groups and devising their own show to perform to the rest of the class!

Owls - Owls travelled back in time on Tuesday to the 1940s where we had an exciting and memorable day being evacuated. The children looked amazing in all of their costumes and a huge thank you to parents for making such a great afford with these. We had a chance to experience using the fire pumps to tackle a blaze and Mr Bridges had to help arrest a spy on the train! We also experienced an air raid and had to quickly get into a shelter - it was incredibly dark and noisy and really made us think how scary it must have been.

Eagles - It was a jam-packed Wednesday for Eagles - we attended the fun swimming gala at the lido, where Will Tingle earned an award for Self Belief. In the evening was the Stanway Rounders Tournament - as always, it was a lovely evening in a beautiful setting with parents, siblings and extended family all along to support.

Have a lovely weekend.

Mrs Kelly

This week's 'Golden Children'

Gold Book:

Robins- Hugo for his independent writing during Busy Bears time.

Kingfishers- Leo for his mature attitude, Alyssa for showing real determination and skill during PE and William, Isabel and Jemimah for their delightful 'Magic Pebble' stories.

Owls - Izzy R for some excellent measurement work in Maths & Will P for an excellent letter home describing his evacuation.

Eagles - Emma for her tea party design & Marley for his approach to Mindset Mondays.

Attitude Tree: Ines for always being so willing to share and let others have a turn, Kit for asking lots of interesting questions during our trip and Liam for his enthusiasm and concentration when reading and learning keywords.
