

Dear Parents,

Eagles Residential

The Eagles children have had an amazing time on their residential. They have demonstrated very supportive and caring relationships with each other, which was noted by the instructors; their teachers were very proud of them. A huge thank you to Mrs Holt, Mrs Jackson, Mr Major, Mrs Jones, Mrs Taverner & Mrs Fowler who all gave up precious time with their families to look after the children.

Cross Country

Jesse and Monty represented Gretton school in their first ever cross country race - they ran with 119 boys from Years 4,5, and 6, Monty came 32nd and Jesse 33rd; they were very nervous but ran so very well - well done boys! .

Harvest Assembly

Next Monday we will be holding our Harvest Assembly at Gretton Church @ 9am - **parents are very welcome to attend**. Please send your child with your Harvest donation (or bring it yourself if you are coming). Y6 will make up food boxes for some of our local residents and the rest will go to the Foodbank to distribute.

Late Arrivals

Please can you ensure that your children are in school on time in the mornings - as well as not being a good start to their day if they are late we often do interventions during assembly time and they miss this valuable one to one time with a teacher. We understand that now and again you may be late and when this is the case please take your child directly to the office - thank you.

Giant Smartie Cookie Sale

Kingfishers will be selling Giant Smartie Cookie's for a £1 after school on Monday to raise money for some new playground equipment.

Winchcombe Open Morning

Mr Hall has put on an extra Open Morning session for the Eagles as they were away for the one this week. It will be on Tuesday 27th (next week) from 9am-11am. Please can you let us know if you intend to take your child - thank you.

Parent Pay

It is essential that your ParentPay account is pre-loaded for lunches, Early Birds/Night Owls clubs etc - we currently have 9 parents in arrears. This causes financial pressure on the school as the admin team have to chase for payment. Thank you for your support.

Class Assemblies This Term - all 8.45am now:

Owls - Friday 30th September

Eagles - Friday 14th October

Dates for your Diaries:

Monday 26th September -

Maths Challenge @ Dean Close

Thursday 13th October -

SEN Reviews

'Have a Look' afternoon for current parents @ 2.30pm

Friday 14th October -

End of Term

News from Classes:

Robins - Robins went hunting for Autumn treasure on Wednesday. We visited the horse chestnut tree in the centre of Gretton and collected 178 conkers! We also went exploring on the playing fields and found apples, leaves, sycamore seeds, feathers and acorns. Robins have been developing their fine motor control each morning at the 'Dough Disco'...squeezing, rolling, balling and making our fingers dance in play dough in time to music!

Kingfishers - Kingfishers have done some really impressive writing in English this week, re-telling the story of 'Harry & his Bucketful of Dinosaurs'. They have also been busy learning their Harvest poem ready for the Harvest Festival. In Maths they have been working out pairs of numbers which add to 10, 20 or 100. They have also used their practical Maths skills of weighing, dividing into fractions and telling the time to help them make some Smarties cookies, ready to sell on Monday to help raise money for some new playground equipment

Owls - It's been Science Week in Owls this week and we have been learning all about our body and naming some of our bones (through the medium of music!). We were amazed to learn that there are 206 bones in the human body! In Maths we have been working hard on getting a better understanding of place value- it has been a different way of working for our Year 3's but they are really starting to get to grips with it!!

Have a lovely weekend. Mrs Kelly

BIRTHDAYS THIS WEEK

Callum H, Isabella M, Grace M, Marley H & Grace C

This week's 'Golden Children'

Gold Book:

Robins - Oscar H for being such a star at tidy up times and getting stuck into clearing up.

Kingfishers - Isabella M, Bonny, Jemimah and Ava for some excellent story writing.

Owls -Isla - for the hard work she puts into all of her learning.

Eagles - On Residential

Attitude Tree: Jasper for always being so keen to answer questions and share his ideas, Liam H for showing independence and concentration when making addition pairs to 10 using Numicon shapes and Tia H-R for taking time to help others with their learning in Maths.
