SPORTS DAY

The Sports Day was very hot but great fun! It was extremely well organised by Mr Bridges and Mr Major. It was lovely to watch the children having such a good time and to see their determined attitudes in the races. Thank you to FOGS for organising the family fun event after with a bouncy castle, a pupil v parent football match, a tug of war and a BBQ. Thank you also to parents who helped on the day or made cakes to sell.

NEWS FROM CLASSES:

Robins - Aargh! Ship Ahoy, Robins have been reading pirate stories, writing messages in a bottle, designing wanted posters and singing pirate songs this week in preparation for our pirate day on Monday.

Kingfishers- Kingfishers have had a lovely week exploring our wonderful weather in Science this week! We have been learning about how the earth rotates, giving us day and night. We explored our shadows and looked at how they change position during the day. We then learnt about how the earth orbits the sun which gives us seasonal changes. We made some collage pictures using different seasonal colour tones. The children have also been observing our weather during the week and have performed some super weather reports! With our energetic sports day and fun filled trip to the Sealife Centre today they will be glad of a restful weekend!

Owls - Sixteen Owls took part in QuadKids on Thursday and put in some excellent performances in the heat, trying out some new events such as shot put, javelin and discus. We've also started writing letters to our twinned school in Nepal and have been creating some collages of Gretton to send out to the school.

Eagles- Year 6 have been undertaking Bikeability in the mornings whilst Year 5 complete their end of term assessments. The afternoons have been dedicated to practising the school play.

Have a lovely weekend.
Mrs Kelly
